Building a Fair and Safe Workplace

- ✓ **Legal Compliance Made Easy:** Navigate state and federal regulations with our expert guidance.
- ✓ **Safety First:** Free on-site consultations to educate and enhance workplace safety.
- ✓ **Proactive Problem-Solving:** Address discrimination, wage disputes, and workers' compensation efficiently.
- ✓ **State Mandated Resources:** We provide labor law and anti-trafficking signage for your workplace.

We're here for everyone, employees and employers alike. Your inquiry is just a conversation, not a legal action.

Quick Guide to Getting Help

All conversations are completely confidential. Scan the QR code on the cover for direct access to support and resources.

Protecting Your Rights at Work

Facing discrimination, unpaid wages, unsafe conditions, or a workplace injury? We route you to the office equipped to help.

- **Anti-Discrimination**: assistance for employees facing workplace discrimination or harassment.
- **Construction Enforcement**: advocates for fair treatment and safe working conditions.
- **Safety & Health**: free evaluations to help ensure workplace safety standards.

More Offices That Can Help

Workers' Compensation provides guidance for injured employees and confirms employers carry required coverage. Wage & Hour Enforcement addresses unpaid wages and work-hour issues that may not meet legal standards.

Remember

The Division of Industrial Affairs is your resource for a just and secure workplace. Every inquiry is just a conversation, not a legal action, and all conversations are completely confidential.
