

WHY HOST

Why host?

Hosting puts your team in front of your peers and the state leaders who recognize this work. Your people see their effort celebrated in the place they earned it.

You also walk away with photos and a story worth sharing with customers and future hires. Safety is a recruiting tool, and this is the proof.

WHAT SHARP MEANS

Your worksite is the proof.

SHARP, the Safety and Health Achievement Recognition Program, honors Delaware businesses whose safety and health programs work every day, not just on paper. SHARP-C brings that same recognition to construction.

Every SHARP site got there the same way. You partnered with SafeDE, found the hazards, fixed them, and kept them fixed. Recognition Day is how Delaware says thank you out loud.

WHAT TO EXPECT

What to expect on Recognition Day

1. **Before the event:** SafeDE works with you to confirm the date, guest count, and room setup. You'll know exactly what's happening before anyone walks in.
2. **Day of:** The SafeDE and DOL team arrives early to set up, so your crew can stay focused on their work.
3. **The program:** A welcome, recognition of each SHARP and SHARP-C site, and the presentation of certificates and awards. When available, a proclamation from the Governor is read in person or shared by video.
4. **Photos:** A professional photographer captures the day for your team and your records.
